

Director's Note

Dear Friends

Greetings in Jesus wonderful name.

Our prayer is that this newsletter finds you and your family all healthy and well, physically and Spiritually half way through 2021.

Did we ever know, or did we ever see it coming, that we would be living in a world similar to what we are experiencing right now. Nations in chaos, people confusion and in fear, mental health patients flooding clinics, domestic violence beyond measure, moral standards removed, and the spirit of dictatorship and communism being endorsed slowly into modern western culture, and much more. These are sensitive and critical times we are living in. The Word of God has warned us prior that perilous times would come.

2 Timothy 3:1-5 This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, high minded, lovers of pleasures more than lovers of God; having a form of godliness, but denying the power thereof: from such turn away.

Probably the worst of times for raising children I think! For those familiar with the Word of God, these are the last days and one has no choice but to ask one's self are we all ready for what is about to come. Yes, things that will unfold on earth while we are here - and then of course the afterlife, meeting our maker!

The Bible does warn us of these coming days and teaches us to watch and pray, be on the alert, prepare with Spiritual armour for the wiles of the devil, be aware of men's hearts becoming cold, families will turn on each other, there will be a demoralizing of the Word of God in people's hearts to the extent where men's hearts will become insensitive, cold blooded, self centred, and proud. Let's be vigilant and on the alert through prayer for our homes, our ministry and for our nation. May the Lord give us the strength to endure to the very end.

In Christ – Evangelist Eugene & Frances Kola

Newsletter August 2021- In this newsletter you will see the projects that we have in process. Please prayerfully consider each project that you would like to participate in. You may choose to be involved in some way as an individual or as a youth group or as a church. Also note that we are hands on with each and every project so as to maintain transparency. Feel free to call or email with any questions regarding any project that you may wish to support. I know that these are hard times and many have had jobs taken away, many have been put off, churches have shut down and are not gathering often, many are financially hurt and circumstances are tough.

Let me encourage you that we serve a God who is bigger than Covid and any circumstance that we may be going through. The Lord **has got our back and we will trust Him and His Word** to the very end Amen! Arm Of Mercy has been doing just as much overseas even though funds are low, flights are down and things are very different than 2 years ago. We give Him praise though even in hard times. God's mathematics and God's ways of doing things with 2 fish and five loaves are very different than what we would do with 2 fish and five loaves.

Isaiah 55: 8,9 "For My thoughts are not your thoughts, neither are your ways My ways," declares the LORD. "For as the heavens are higher than the earth, so My ways are higher than your ways and My thoughts than your thoughts.

I am so glad that God is on the throne, and will be forever. If God placed the sun in the sky this morning so as to sustain humanity, this all the more indicates that God is still on the throne and is still in charge. Let's look to Him in all things! If you would like prayer for anything that you may be going through, then please don't hesitate to write us a note or send me a message so that we can join in with you for an answer. Our details are on the last page.
